

At Fairchild Wheeler, in addition to the Bridgeport Board of Education Uniform Policy (detailed in [Student Code of Conduct](#)), all students are required to wear a lab coat. We view our school as a place of academic business, and we require that students wear proper attire. The consequences for violating the uniform and tardy policy are similar and outlined below. It is our hopes that consistent reinforcement of these policies at home and at school will lead to the best possible academic environment at Fairchild Wheeler.

Uniform Policy
